Dear Mr. and Mrs. Yarbrough:

I am writing in regard to your inquiries about health risks and liability associated with Talley's pond. We are currently drafting the Record of Decision for the Rentokil Superfund Site, and within this document will be the Responsiveness Summary.

The Responsiveness Summary formally addresses concerns and comments received during the comment period. Andy Palestini and I will be preparing our responses to all comments, including the concerns you communicated to me. The answers to your questions will be available in this document when it is finalized. I will contact you when the Record of Decision and Responsiveness Summary are ready for distribution, and send you a copy.

Should you have any questions, please feel free to call me at (804) 225-2903.

Sincerely,

A handwritten signature in cursive script, appearing to read "Jennifer Ebert".
